

## Town Meeting Approves \$12,014 Land Transfer

Arlington's Town Meeting members approved Article 5 as recommended by the Finance Committee concerning transfer of land off Summer street to the Archbishop of Boston for the use of St. Agnes Catholic Church and School of Arlington for the sum of \$12,114.24.

The action took place Monday night as seventy-eight per cent of Town Meeting members plus interested residents braved the Northeast to act on Five Articles at the Town Hall.

The business of the meeting was disposed of in less than one and one-half hours. A good portion of the time taken up at the meeting was utilized for the presentation of progress reports by seven committees.

Reports were presented by the Parmenter Addition Committee; Committee for Amendments to the Town Manager Act; Committee to study changes in Town By-laws; Committee to Study Progress at Reservoir Field; Reservoir Beach Committee; Committee

to study the Pittsburg Plan; Committee to study Town Owned Business; and the Spy Pond Investigating Committee.

The other articles approved (all as recommended by the Finance Committee) included: Article 2—that the additional sum of five hundred dollars be appropriated for use by the Joint Planning Committee; Article 3—that the provisions of Chapter 670 of the Acts of 1955 of the General Court entitled "An Act Relative to Increasing the amounts of pensions retirement allowances and annuities payable to certain former public employees"; Article 4—that the additional sum of five thousand dollars be appropriated for equipment and furnishings, and for the alteration and reconstruction of the present interior of Robbins Memorial Town Hall to provide for rearrangement of Town Departmental Headquarters.

## Corcoran Seeks Moderator Post

The News learned at press time that a second Arlington man will be a candidate for the office of Town Moderator.

Attorney Lawrence E. Corcoran, 146 George street, long time Town Meeting Member and Moderator of the Yankee Network Forum for five years, announced that he would be a candidate after he was asked by a group of 23 citizens most of them Town Meeting members, to run for the office.

## Fined \$1050

Edward Sardiello, 67 Windsor street, seized by local police in a gaming raid on his home last week was fined a total of \$1050 in court Monday afternoon and sentenced to two six-months sentences (on and after) in the House of Correction.

He was fined \$50 for maintaining a game; \$500 and six months in the House of Correction for setting up and promoting; six months (on and after) for registering bets; and \$500 for having lottery tickets in his possession.

## CANDIDATE

M. Norcross Stratton is a candidate for re-election on the Arlington School Committee.

The local Legion Post is cooperating with the local March of Dimes Committee planning the two day activity.

## Citizens Group To Study High School Problems

Arlington's School "Citizens Committee" elected Mrs. Kenneth Spengler, 189 Jason street, chairman at the first meeting held Thursday night at the Industrial Arts Junior High School.

Chester Protheroe, 14 Mayflower road, was named secretary of the group and Assistant Superintendent and Guidance Director of the local schools Bert Roens executive secretary.

The group composed of a resident of each precinct in the Town and three members at large—one from the A.F.L. Local, one from the P.T.A. and one from the League of Women Voters decided that as its first project it would study the high school situation as explained in recent surveys.

Sub-committees of the new group were to meet Tuesday of this week and again Thursday at which time they were to make visits to the High School.

Also present at the first meeting were members of the school committee and Superintendent of Schools Clifford Hall.

The Committee was composed of residents of the Town who have shown interest in school problems and it is hoped that it will serve as a reflection to the school system of public opinion throughout the Town.

Present at the initial meeting were some fifteen of the selected twenty members of the group.

## "March" Benefit Game Set For Saturday at Junior West

The March of Dimes benefit game between the Arlington Boys' Club basketball team and the Arlington High School squad will be held at 7:30 p.m. Saturday, January 14, at the Junior High West gymnasium.

This game brings together two exceptional teams. The high school team which recently won an informal basketball tournament at the Browne Nichols School by defeating Browne Nichols 72-30.

Well-known players include: Dick Beardsley, a 6' 1" player who tops the scoring list with an average of 16 points a game; John Birtwell with a 15 point average; center Joe Madigan 6' 3" who has 12 points a game to his scoring achievement; Richie Crowley a 6' 1" who also averages 12 points and Charlie Pigott 6' 1" who has 8 points a game to his credit. The reserves include: Leo McSweeney, Jack Young, Paul Parr, Joe Skennerian, Dick Morel, Steve Taveklian and Tom McKenna.

The team has participated in only one league game losing to top-seeded Cambridge Latin by a close score, 62-55. According to Coach George Lowder, the squad is composed of exceptional players.

## Judge Magnuson To Step Down As Town Moderator

Judge Harold Magnuson told those present at the Special Town Meeting Monday night that he would not be a candidate for the office of Town Moderator this year.

In making his announcement Judge Magnuson thanked all those who assisted him during his years as Moderator.

At the same time Attorney John J. Stanton, 17 Lanark road, Arlington, told the News this week that he will be a candidate for the office of Town Moderator in the elections.

Mr. Stanton, an attorney with offices at 110 State street, Boston, has been an active Town Meeting Member in both Precincts 8 and 14. Presently he is serving from Precinct 14.

He is a member of the standing committee to study and make recommendations relative to revision of the Town By-Laws; and is a member of the Building Board of Appeals.

In announcing his candidacy to this paper, Mr. Stanton stated that in the event he is elected Town Moderator in March, he will strive with all earnestness to maintain the tradition of efficiency, decorum and dignity which has always characterized the office in the Town of Arlington.

## SPEAKS TO LIONS

Jack Burns of the Boston Red Sox, gave a talk and showed a film at the meeting of the Arlington Lions Club, Monday night.

## SPEAK AT LEAGUE

Speakers at the January 19 meeting of the League of Women Voters of Arlington will include Dr. Bert A. Roens, Assistant Superintendent of Schools, Director of Guidance, Arlington, and Mr. Joseph M. Ambrose of the Youth Service Board. Their subject will be "How can Schools and the Community Assist in the Prevention of Juvenile Delinquency?"

## Town Employees Hospitalized After Train-Truck Collision

The name of one Arlington man was on the Danger List, and two other men were reportedly resting comfortably at Symmes Arlington Hospital yesterday where they were taken following a train-truck collision at the Ryder street crossing off Summer street near the playground.

On the danger list was William McCarthy, 1186 Massachusetts avenue, suffering from multiple lacerations, contusions, and a fractured humerus.

Resting comfortably were Daniel O'Connor, 107 Medford street, and Philip Preston, 24 Pond Hill. Although preliminary examination showed that both men might be suffering from fractured ribs.

The accident occurred when the truck in which the three men, all employees of the Town of Arlington, was in collision with the Bedford to Boston 7:30 a.m. Boston and Maine train.

The accident, the second to occur at the crossing in three months was ironic in that a barrier, blocking Ryder street from use by vehicular traffic was scheduled to be erected this week.

The three employees of the Arlington Park Department had just left the Park Department Building in the truck when the vehicle and the train were in collision.

The Park Department, Board of Selectmen and Town Manager were in unanimous agreement last month that a barrier should be erected at the crossing.

Concerning the matter the following appeared in the December 22 issue of the News "Ryder St. Arlington, scene of a serious car-train collision last October has been closed to vehicular traffic. The action was taken this week by local officials."

According to Town Manager Edward C. Monahan, the order to close the crossing to vehicular traffic went out December 22, as the barriers were to be erected as soon as possible, weather permitting.

The first accident at the crossing occurred October 20, when Joseph Cartmel, 419 Summer street, was seriously injured when his car was in collision with a train at the same time of day as he drove his vehicle from Summer street toward Forest street. Cartmel never regained consciousness and died two weeks ago at Roslindale General Hospital.

**MONEY BACK**  
In his report at the Special Town Meeting Monday, Chairman of the Parmenter School Addition Committee, Doherty, stated that a sum of \$153,049.04 had been used for work on the addition, with a total of \$3,400 to be turned back to the town.

**TRIBUTE TO BABINE**  
A two-minute tribute to John Babine, who died last week, was observed at the dance held Saturday night at the Town Hall.

Mr. Babine, who died Jan. 2, was well-known locally as a close friend of the town's youngsters. He organized the Arlington Youth Association team in 1947.

**MAIL TAX FORMS TO 174 IPSWICH STREET**

District Director of Internal Revenue, Frank J. Cavanagh, has requested all taxpayers in the State of Massachusetts to forward or mail all completed Federal tax returns of any kind or variety to the Headquarters Office at 174 Ipswich street, Boston.

During the past year many taxpayers and tax practitioners have been mailing documents and tax returns to branch offices throughout the District. Director Cavanagh stated that this practice should be discontinued as it adds

to the workload of the personnel staffing these offices particularly during the current filing period. No advantage can be gained by a taxpayer in mailing returns to a branch office because the first action that can be taken in the processing of a return must originate in the headquarters office.

Another point stressed by Mr. Cavanagh was that letter requests for forms, returns or other tax materials should be addressed to the Director's office at 174 Ipswich street, Boston, where prompt attention will be given to the request.

## You Could Be Dead Wrong Be Sure Of Your Rights

Too many Massachusetts motorists have mistaken ideas about their rights as drivers. As a result, too many of them end up in trouble with the law, losing long and costly lawsuits — or dead wrong.

That's the opinion of an insurance executive who examines scores of accident reports each week. C. J. N. Weber, head of the New England claim department of Lumbermens Mutual Casualty Company and affiliated companies

in the Kemper insurance group. Weber said the vast majority of drivers involved in accidents apparently honestly believe they were in the right at the time. But investigation subsequently shows most of them were partially or completely in the wrong.

"The motorist who has an erroneous conception of his rights and who drives accordingly is as much a menace on the road as the deliberate law violator," the Kemper executive asserted.

He listed the following eight driving misconceptions as common in Massachusetts:

1—THE DRIVER ON THE RIGHT ALWAYS HAS THE RIGHT OF WAY AT AN UNMARKED intersection. That's incorrect, yet some drivers take for granted that the right-of-way rule protects them completely.

Accordingly, they proceed thru all unmarked intersections in the belief that all cars coming from the left must yield to them. Because they keep practically no look-out to the left, they are constant hazards.

Weber said Massachusetts law does not provide an absolute or exclusive right of way for any

driver. In general, the law gives the car in or nearest the intersection first the right of way. If two cars approach the intersection about the same time, then the car on the right has the right of way.

2—CARS HAVE THE RIGHT OF WAY OVER PEDESTRIANS AT INTERSECTIONS WHERE THERE ARE NO TRAFFIC LIGHTS. No, Weber said; Massachusetts law provides for reciprocal rights and duties for drivers and pedestrians alike.

This means that drivers should not try to bully pedestrians and that pedestrians shouldn't walk with an I-dare-you-to-hit-me attitude.

A blind pedestrian, however, who raises or extends a white cane or who is being led by a guide dog has the right of way anyplace anytime.

3—WHEN A SCHOOL BUS STOPS, YOU HAVE TO STOP IF YOU ARE BEHIND IT AND TRAVELING IN THE SAME DIRECTION. Only partly correct. Our state law says that you must stop — no matter in which direction you're traveling — when a school bus stops to pick up or discharge children.

4—YOU DON'T HAVE TO STOP ON YELLOW WHEN A TRAFFIC SIGNAL IS CHANGING FROM RED TO GREEN. Wrong. State law requires ap-

proaching traffic to stop on yellow unless the car already has entered the intersection.

There's one exception: You may proceed on yellow "cautiously" if you can't stop with safety. But if you can't stop with safety, the Kemper executive commented, chances are you're driving too fast.

5—YOU MAY START THRU AN INTERSECTION WHEN THE light changes from red to yellow. Wrong again. Under our state law, you're not to start till the light has turned green — and even then you're to wait till all pedestrians and vehicles have cleared the intersection.

Intersections are turning into traffic battlegrounds because drivers don't understand what the yellow light means, Weber said.

6—YOU CAN MAKE A TURN ANYTIME AS LONG AS YOU SIGNAL. Not so. In addition to giving a plainly visible signal, you have to be in the proper lane before you turn and you shouldn't turn till it's absolutely safe.

Many drivers apparently believe they can turn from any lane as long as they signal first, others don't signal till just before they turn while still others just don't signal.

7—IT DOESN'T MAKE ANY DIFFERENCE IN WHOSE name a car is registered just as long as

the car is covered by liability insurance. Wrong. State law says the car has to be registered in the name of the real owner.

If a car isn't properly registered, the owner and operator may not receive any payment for injury or damage sustained on Massachusetts roads.

8—A PASSENGER WHO urges a driver to violate a traffic law is in the clear if the driver is caught. Not so. Weber said that under the law anyone getting a driver to violate a law is considered just as guilty as the driver.

Another common misconception many drivers have is the belief that if they're found not guilty in a police case they will be in the clear in a civil case, the Kemper executive said.

In Massachusetts, the criminal and civil cases are separate and distinct. You could be found not guilty in a police court but still lose in a civil court if it's proved you were in the wrong.

Local Store Plans Tie-in With  
Franklin's 250th Celebration

Ralph R. Hudson, owner of the local Ben Franklin Store, announced today that his store is making plans to join in a nationwide celebration of Benjamin Franklin's 250th Birthday anniversary.

Locally the celebration will take the form of a "Thrift Week" sales event in the Ben Franklin Store featuring a number of merchandise specials. Announcement of these specials and "Thrift Week" dates will be made in the advertising columns of this paper.

Mr. Hudson explained that the local store is participating in this event as a member of a nationwide organization of over 2,400 independently owned Ben Franklin Stores, named in honor of one of America's greatest patriots. It was Benjamin Franklin who, in 1754 first urged the colonies to unite to form this great nation in which we live today. He immediately foresaw that greater things could be accomplished by the colonies working as a group, as compared to each colony going its separate way.

Mr. Hudson also points out how this same philosophy is being successfully practiced today by the more than 2400 Ben Franklin stores—working together as a united group—commanding far greater bargaining power in the buying market than any one indi-

vidual could hope to possess. He adds, "Such a cooperative policy makes it possible for each independently owned Ben Franklin Store to provide better service for the community it serves."

The Franklin Institute in Philadelphia reports that more than 500 societies, associations, institutions and government departments in 40 countries are participating in the observance of Benjamin Franklin's birthday, starting Jan. 17, 1956. All of the participation groups will emphasize Franklin's great dream of a cordial understanding among peoples—and how much such an understanding he believed, could bring world peace by the year 1983.

Mr. Hudson declared that the celebration will draw the attention of Americans to Franklin's honest and solid idealism—an idealism which is as real and necessary today as when he helped write it into the American Constitution.

The local store is planning to provide school children with a colorful, 48-page biography of Mr. Franklin which carefully outlines with pictures his life, career and many contributions to mankind. During "Thrift Week" these books will be made available to school children at no charge.

## TO VISIT ARLINGTON

Benjamin W. McKendall, Jr., Admission Officer of Brown University, will visit Arlington High School on the afternoon of January 18. He will meet with students and confer with officers of the school.

Mr. McKendall is currently on tour, visiting schools in the Southern New England area.

## RETURNS TO DUTIES

Miss Joan M. Blair, daughter of Mr. and Mrs. C. David Blair of 123 Warren street, Arlington, has returned to her duties as Student Psychiatric Case Worker at the Sweetser Home in Salem, Maine after enjoying a three week holiday vacation. She is also a student at Boston University.

## ENTERS TECH SCHOOL

Paul A. Cunniff who lives at 21 Peter Tufts road, Arlington, has just entered training at the Industrial Technical School of Boston where he will specialize in the field of Drafting Design.

Paul graduated from the Arlington High School and spent four years in the Air Force.

Few Accidents  
Despite Poor  
Road Conditions

Despite the freezing rain conditions which prevailed locally Sunday afternoon and early evening, the number of accidents were held to a minimum with only two involving injuries reported to local police.

Just after noon Sunday a bus with but one passenger and the driver aboard skidded on Gray st. and crashed into a tree in front of 72 Gray street. The vehicle owned by Hudson Bros Company of Medford was heading towards Pleasant street when the accident took place.

The passenger, Miss Ann Silveria, 19, of 103 Franklin street, Arlington, was treated at Symmes Hospital for a hip injury.

Driver of the vehicle was Edgar Furbush of Stoneham.

In an accident which took place at the traffic light at Broadway and Oxford street just before 7:30 p.m. Mr. and Mrs. Hugh Roxburgh claimed injury after their car was struck in the rear by a vehicle operated by Donald Bettosi, 15 Ibbotson street, Somerville.

Four other accidents, none involving personnel injury, were reported to police throughout the afternoon and night. They occurred at Summer street and Washington street in front of 2 Plymouth street; in front of 115 Washington avenue; and in front of 89 Paul Revere road.

## POTTERY DEMONSTRATION

Mrs. Mark Walter, 232 Massachusetts avenue, Arlington, assisted in a pottery demonstration at the Boston YWCA this week.

A student in a YW pottery course, she showed methods of hand-building, casting, modeling and throwing on the pottery wheel. The demonstration, under the direction of Mrs. Mary Roy head of the YW's Ceramics Department, and Harris, Boston instructor, was a review of techniques which will be used in pottery classes sponsored by the Boston YWCA on January 29.

These courses, which offer training for teachers, group workers, camp counselors and men and women who wish to pursue their own pottery interests, are open to all students.

To Mr. and Mrs. Willard A. Smith (Gloria L. Lear) of 54 Hillside avenue, Arlington a daughter named Carol Marie on December 31, at Symmes Arlington Hospital.

Aces Nip Junior Legion In Overtime,  
Increase League Lead To Three Games

The Aces all but ran away and hid on the rest of the Park League teams last week with a three-point sudden death overtime victory over contender Junior Legion highlighting their undefeated string.

As of January 6, the Aces had an 8-0 mark compared to identical 5-2 marks posted by the Boys Club and the Junior Legion.

In the big game with the Legion entry the league leaders held a 28-23 half time edge, but fell before the Legion's second period comeback. Twelve points by the Legion team in the final stanza knotted the count.

Marino with 24 points, LaMacchio with 13 and Morel with 11 paced the winners, while Sefton with 16, Burns with 15, and Hayes with 12 led the way for the losing squad.

The car says 860 and the price won't stop you!

Invest in Dependability...  
get a Bonus in Go!

You can buy it on its name alone—this big, high-powered '56 Pontiac—and be safe in the knowledge that you couldn't have made a better investment in years of dependable, carefree motoring.

The good things you've been hearing about Pontiac for years assure you that.

But "go" is the word for '56! Performance so new and dramatic it must be experienced to be believed!

A short spell behind the wheel will nail that statement down as a fact. Come along for a drive and see.

Waiting for the light to change, you can't hear the engine. But touch your toe to the accelerator and in a split second there's a torrent of power, sparked by the most advanced engine of them all—the blazing 227-h.p. Strato-Streak V-8.

Team this terrific power plant with Pontiac's all-new Strato-Flight Hydra-Matic\* and you've got the smoothest take-off that ever brightened a highway.

And remember—this easy handling dream is actually among the biggest, huskiest cars built!

Now for the final test—head for the open road and some landmarks you can challenge. Wipe out a hill. Straighten a curve. Smooth out a stretch of rough road that's bothered you for years.

Now see why they're calling this the greatest "go" on wheels?

More than that—it's the greatest buy on wheels! And that too, is easy to prove.

Then take a look at the price tag—

check on our deal.

Nothing will stop this powerful beauty from being yours!

\*An extra-cost option.

You can actually have a big, glamorous Pontiac 860 for less than you would pay for 44 models of the low-priced three!

## Francis S. Grant, CYO Boy Orator To Address St. James CYO Sunday

On Sunday, January 15, more than 900 officers and members of St. James CYO will attend the 8 a.m. mass and receive Holy Communion in a body. The mass will be celebrated by Rev. Robert W. Shea, CYO director. A special musical program has been arranged for the mass by St. James CYO choir consisting of more than 100 voices, under the direction of Mrs. Roderick J. MacDonald.

As is the custom, all the members will adjourn to the school hall immediately after mass. Refreshments will be served and the monthly meeting will take place.

The new president for the year 1956, Miss Carole A. Murphy, a senior at Regis College, Weston, will attend a welcome to the new officers and members. At the same time, in the name of the officers and members of the organization, Miss Murphy will present a framed picture of the 1955 CYO officers and a very expensive Missal to the retiring first president, Paul E. Cochran, as a token of appreciation for his great leadership and service to their organization.

Miss Elizabeth J. Dolan, the new spiritual chairman has arranged an excellent program for this meeting. St. James CYO Girls' quartet, consisting of Norcen Callahan, Janice Gilfeather, Rita Heffron and Janice Meehan, will open the meeting with the singing of a few popular numbers. James M. Colliton, the physical chairman, will give a detailed account of the cadet and junior girls' basketball team.

Miss Agatha J. Sicari, a graduate of Emmanuel College in 1953, an outstanding soloist, will present a few well known selections to conclude the entertainment portion of the program.

The guest speaker for the monthly meeting will be Francis

### AT MONTHLY MEETING

Among the local members expected to attend the meeting of the Boston Chapter, National Association of Cost Accountants, Jan. 18, at the Hotel Bradford in Boston are Miss Elizabeth Reid, 305 Park Avenue, Edna Thompson, Massachusetts Avenue, and Mrs. Leon Aldrich, 115 Gloucester St.

## TOWN HALL Press Conference

The Town has purchased another snowplow, at \$1550. The equipment, the seventh such type now belonging to the Town has a depreciated book value of \$4000. It was originally purchased by the MTA in 1941 and the sander addition was purchased in 1947. The machinery has power-steering and air brakes and was originally priced at \$225,000. It was reconitioned in 1954 and had a new clutch installed in December, 1955.

Bus transportation continued as usual during the ice storm Sunday, although some taxi service was suspended after 6 p.m.

The Town is in the process of making a survey which it is hoped will facilitate faster sanding during storms.

A \$3,515.97 reimbursement has been received by the Town for Old Age benefits. About 75 per cent of this amount will be turned over to the Federal Government.

An article will be inserted on the Warrant for Town Meeting for disposal of obsolete Fire Engine Number 1. This is not to be confused with Engine Number 5 used for Civil Defense purposes.

The program of what to do with civic organizations now located in the Old Town Hall, if and when the Old Building is torn down is one that may well influence voting of the article concerning tearing of the structure at March Town Meeting.

The Railroad property near the station and the Arlington News office officially belongs to the Town. Acquisition of the property was voted at Town Meeting last year.

The principal speaker at these historical exercises, United States Senator Patrick V. McNamara of Michigan, thanked him for best laying down the challenge to the elders of his age. Mayor Hynes of Boston called the boy's oration "the finest declamation from the lips of a young man I have ever heard, or that we are likely to hear again in our lives."

So great was his speech that every Boston newspaper carried it on the front pages of their papers on the following day and repeated it many times in the next few weeks.

The City Council of Boston on March 14, 1955 cited Francis S. Grant, Jr. and passed a resolution at their meeting that his speech should be printed as a public document and made available to all Boston school children. Further recognition was given Francis S. Grant Jr. by the Congressman from his home district, Hon. John W. McCormack, when he had the speech inserted in the Congressional Record of Thursday, May 26, 1955. This same speech Francis will deliver to the officers and members of the St. James CYO on next Sunday morning at their monthly Communion meeting.

and Charley Leveroni. The team mascot is Frank Sexton.

Seven of the boys are attending college. Jackie Bowler and Charley Daley are credited with winning the Boys' Club good sportsmanship award which is awarded to an outstanding member of the club each year. Jackie won the award in 1950 and Charley received the honor in 1953.

Following this all-important game, Chairman Robert Mahoney announces that there will be a square dance. A caller will be on hand to offer the best square dances available. The March of Dimes has planned an exciting and worthwhile evening for all townspeople. All junior and senior high school students will be given a March of Dimes card during the week which are to be filled with dimes and handed in at the door. This will give everyone an opportunity to receive a carefully selected door prize.

Don't forget to attend this most worthwhile game and square dance! All proceeds are given to the March of Dimes. With the increase in polo during 1955, an effort is being made to top the 1956 quota.

Mrs. Helen A. (Paulson) Gustafson, 64, of 11 Moulton road, Arlington, for many years active in Swedish organizations in Greater Boston, died Sunday, Jan. 1st, in the Symmes Arlington Hospital. A native of Sweden, she was the wife of C. Hilmer Gustafson, a retired carpenter and builder.

She was a past president of Stenkil Lodge, Independent Order of Vikings, Braintree; and Sveaborg Lodge, Scandinavian Fraternity of America, Dorchester; former vice president of Fylgia Lodge, Vasa Order, Somerville; past member of the Swedish Gymnastic Club Svea, Cambridge; and a member of the Augustana Lutheran Church, Cambridge.

Besides her husband she leaves a daughter, Mrs. Vera Segerstedt of North Weymouth, and a brother, Mr. S. Paulson of Oosterville, Cape Cod, and five grandchildren. Funeral services were held Wednesday, January 4, at the Granstrom Funeral Home in Mattapan. Interment was at Forest Hills Cemetery.

The meeting of the Friday Social Club will be held at the home of Mrs. John Kennedy, 27 Cavette street, on Friday, January 13.

A White Elephant sale will be held after the meeting.

## Relay Team Sets Record Fryer Whole Show For Locals

Arlington high school's track team kept its share of first place in Division II of the Met League at the East-Newton street Armory with Carl Fryer copping two firsts and running as anchor man for the locals as they set a net record for the relays.

But, the Arlington victory was by no means a run-away, the final score read Arlington 39, Natick 38, and except for Fryer, the results could have been much different.

The new relay record, 2:05.7, was set by the Arlington team of Murphy, Buckley, Poole and Fryer. Fryer's other two triumphs

came in the shot put with a toss of 42 feet 10 and 1-2 inches and in the hurdles in 6.3 seconds. The high jump points were split between Gore of Arlington and Paul of Natick, 5 feet 5 inches; Murphy of Arlington won the 300 in 37.2 seconds; Butchman of Natick took honors in the 600 in 1:24.7; while McDonald of the losers won the 1000 in 2:29.4. Buckley of Arlington won the 50 yard dash in six seconds flat and the mile was won by Moore of Natick in 4:56.1.

To Mr. and Mrs. Michael N. Renaccio (Priscilla A. Manzo) of 346 Trapezo road, Belmont a daughter named Michele.

Mr. Barry is also a graduate of Arlington High School, Class of 1952, and has just completed three years of service with the United States Army. He has been stationed in Africa for the past two years.

No date has been set for the wedding.

## CHRISTIAN SCIENCE

Man's God-given right to health and healing will be emphasized at Christian Science services Sunday in the Lesson-Sermon on the subject of "Life."

Christ Jesus' healing of the centurion's servant who "was sick, and ready to die" (Luke 7) will be among the accounts of the life-giving power of God to be read from the King James Version of the Bible.

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (369:16): "Jesus never asked if disease were acute or chronic, and he never recommended attention to laws of health, never gave drugs, never prayed to know if God were willing that a man should live. He understood man, whose Life is God, to be immortal, and knew that man has not two lives, one to be destroyed and the other to be made indestructible."

## New Program At Boys Club

The Arlington Boys' Club will be open to all club members on Friday nights beginning Friday, January 13. The movies will be shown in the dining room on Friday at 7 p.m. and on Saturdays at 2:30 p.m.

"It is our desire to accommodate all club members and to make the club available to them at all times," says Director Faulkner. The Gym, Senior Room and Intermediate Room will be available to all boys who wish to come to the club on Friday nights. Movie this week — "Canadian Pacific" plus Chapter 13 of "Black Arrow."

## On Committee At Museum Of Fine Arts

A local resident, Mrs. George Robbat, 26 Frost street, Arlington, was appointed this week to a Ladies' Committee at the Museum of Fine Arts, Boston.

A Ladies' Committee for the Museum of Fine Arts, Boston, was formed today for the first time in this institution's long history. The purpose of the Committee is to take an active part in expanding the Art Museum's role in the Greater Boston community. Its first activity will be an intensive drive for increased Museum membership beginning Jan. 11. Perry T. Rahbone, Director of the Museum pointed out that the number of members of the Boston Museum is incredibly smaller than that of any other similar institution in the country.

## Mrs. Theodore Bogosian Heads Town's 1956 Heart Fund Drive

Mrs. Theodore O. Bogosian, of 16 Standish road, Arlington, has been named general chairman of the 1956 Heart Fund Drive for Arlington according to an announcement made today by Dr. Sylvester McGinn, president of the Greater Boston Chapter of the Massachusetts Heart Association.

Aims of the drive held in February include sponsorship of research, education, and community service in the field of heart disease which annually takes a toll of nearly 800,000 lives in the United States.

In accepting the chairmanship of the four week fund appeal, Mrs. Bogosian, financial chairman of the League of Women Voters, den mother, Cub Scouts, and former head of Professional Group of the Community Fund, stated:

"Dedicated to the solution of the country's foremost health problem, the Heart Fund drive merits the support of every thinking citizen. It is a challenge and opportunity that no one of us can afford to forego."

"Heart Sunday" to be held February 26 will mark the climax of the campaign as an army of volunteers conducts a door to door collection.

Dr. Bert A. Roens, Guidance Director and Assistant Superintendent of the Arlington Schools will be the guest speaker at the Locke School PTA meeting to be held January 12, at 8 p.m. The subject will be "Mental Health: In and Out of School."

## Boys Club Plans Small Fry Day

The first Small Fry Day of 1956 will be held at the Arlington Boys' Club Saturday morning, January 21 at 10 a.m. announces Brad Faulkner, Director of the Club.

This popular activity, once again will be open to all Arlington Boys' Club members and their little brothers and sisters. A fast moving two hour program is planned for all who attend.

The program will feature novelty acts and cartoons; door prizes will be awarded.

The highlight of the entertainment will be a presentation of magic by Roger Kaufman. Roger is a young man who has appeared as an entertainer on T.V. and on many children's programs.

The doors will open at 10 a.m. and the show will be over at 12 noon.

## Wolves Still First Despite 26-15 Loss

The results of the Junior League this past week showed the Wolves still in first place even though they were defeated by the Pals 26 to 15. Billy Roselle was high scorer with 10 points. Billy Zenga threw in four baskets for 8 points for the winners.

J. Landise was high scorer for the losers with 6 points. This loss brought to the Wolves their first defeat of the season. The Pals who up to this date had won only one game by forfeit showed much promise and seems to stand a good chance to compete in the playoffs.

The standings up to date show the Wolves in first place with 72 points followed by the Lions, Rovers, Stars tie for second place. The Terriers, Comets, Pals are tied for third with the Cyclones in fourth place in the League.

The Hornets and Bullets hold up the leagues standings.

The Intermediate League game of the week showed the Shamrocks winning a close contest in the last minute over the Hawks 48 to 42. C. Alexander of the Shamrocks couldn't miss as he sank 13 baskets good for 26 points. Frank Sexton who threw in 17 points and Brother Bonnett who tossed in nine points were high scorers for the losers. P. Hoagman was outstanding in his defensive play taking many rebounds of the boards and passing to Sexton for points.

The Intermediate League standing showed the Nontiams in undisputed possession of first place with the Shamrocks, Yankees, Hawks and Puddy-Cat Rams following in order.

## Dr. Spencer Joins Waltham Staff Of Sylvania Electric

Dr. Roy Spencer of 247 Park avenue, Arlington, has recently joined the staff of the Waltham Laboratories of Sylvania Electric Products, Inc.

This activity is concerned with the development and research of electronic airborne equipment and missile systems.

Dr. Spencer, an internationally known expert in microwave antennas was formerly in charge of the Antenna Laboratory of the Air Force Cambridge Research Center and is now an Engineering Specialist in the Missile Systems Laboratory.

He is a member of the Administrative Committee of the Institute of Radio Engineers, Chairman of the Working Group of Microwave Optics and a member of the Institute of Radio Engineers Papers Review Board.

## Traffic Tied Up As Car Rolls

Traffic was tied up for a while Saturday on Court street after Kenneth Cole parked his car, with the motor running, in front of 15 Court street, while he entered the house at that address.

When the vehicle began to roll, Mrs. Charlotte Cole, a passenger in the car in attempting to stop it reportedly stepped on the accelerator rather than the brake pedal.

The car went forward and according to police struck a parked vehicle operated by Scott Arnott, 28 Chatham street, Arlington, which in turn struck a vehicle operated by Elsie Wilson, 28 Norfolk road, Arlington, which in turn struck a Buttrick Milk truck operated by Harley Leavett, 18 Elmwood street. No injuries were reported.

Cole lives at 202 Park avenue, Delaware, Ohio. The vehicle had been temporarily assigned to Bedford Air Base.

## Arlington Loses, Drops To Second

Melrose high school's pucksters came from behind to nip Medford 3-1 and take over first place in the GBI Hockey Loop, as Arlington was stunned by a surprising Stoneham team by the same score.

The loss by the locals dropped them into second place, a half game ahead of third place Stoneham. Only a third period goal by Johnny Wilson saved the losers from a shutout.

John Apprill was tremendous in the nets for the Arlington club as he kicked out some 25 plus shots off the sticks of the underrated Stoneham club.

Fran Hart put the winners out front just one minute and twenty-five seconds after the start of the second period with Albie and Dennis Symes drawing assists.

The winners jumped out to a goal lead at 3:30 of the third period with Albie Symes hitting the nets assisted by Hart. Dennis Symes tallied the third goal for the Stoneham squad assisted by Hard and brother Dennis at 8:12 of the final stanza.

Then just before the bell sounded Wilson scored the lone Arlington marker with Limerick getting the assist.
